Project Title

Principal Investigator

Abstract

(maximum 5000 characters)

1. PROJECT DESCRIPTION AND APPROACH

1.1. Objective

Explicit the RESEARCH QUESTION[s].

1.2 Relation to the call

Explore how the project addresses the challenges and scope of the call.

(maximum 10000 characters)

1.3 Background literature

Explore the academic debate informing your proposal providing a clear picture of the literature and the gap[s] you intend to fill.

(maximum 10000 characters)

1.4 Inequality Dimensions

Describe the dimensions of inequality explored in the project mapping: nature, diffusion, relevance, how they represent a problem for society and the connections between them.
(Remember to consider at least 2 dimensions of inequality)

(maximum 10000 characters)

1.5 Methodology

Explain the overall methodology and in turn the method[s] used to answer your research question[s].

(maximum 10000 characters)

1.6 Originality

Describe the originality of your research and how it represents an advancement beyond the state of art. Please indicate the gap[s] you intend to fill.

(maximum 10000 characters)

2. IMPACT

Describe the impact of your research clarifying how they contribute to:
   a. *advance the academic debate producing new knowledge;*
   b. *the development of new policies and/or best practices to support more inclusive societies;*
   c. *identify appropriate indicators to measure the different dimensions of inequalities;*
   d. *identify/anticipate emerging needs (social, economic, cultural etc) in the local context.*

(maximum 10000 characters)

3. IMPLEMENTATION

3.1 Workplan

Please provide a short description of the whole structure of the workplan

(maximum 10000 characters)

3.2 Work packages (WPs) and deliverables

Please provide a short description of each WP (per each WP use the table below)

WORK PACKAGE n	
name and number of the WP	
participants (organizations)	
start and end month	
objective[s]	
description	
expected result[s]	
deliverable[s]	
relation to other wp[s]	

3.3 Research organization

Describe the research organization[s] participating your project primarily focusing on research environment and research facilities.

(maximum 10000 characters)

3.4 Research Team

Provide a short description of the CV of each member of the team (permanent and temporary), including the PIs. Please fill the table below. Add as many tables as you need accordingly to the number of researchers in the team.

Name and Surname	
Position	
Role in the project	
Age	
Short description of relevant experiences (no more than 5 lines)	
List only publications related to the topic of the Call and **no more than 5**	1. 2. .. 3. .. 4. .. 5. ..
Describe the involvement in each WP also indicating Person Month (PM).	

3.5 Young researcher

Describe the actions you will implement to involve and train young researchers. Explain how the participation to the project might represent an enhancement for their careers.

3.6 Gender Equality

Describe how your proposal represents a positive contribution towards gender equality in research.

4.   BIBLIOGRAPHY

List all the articles cited. For each publication indicate: authors, title, journal, volume, issue, pages and year of publication. If available online, provide the link.

(maximum 50 publications)

Please note that together with the budget form these are the only documents that the reviewers will receive therefore include in the final pdf all documentation or information you wish to send them (e.g. information intended to clarify the budget or letters of support)

Budget Summary						
	Lead institution Requested amount (€)	Partner 1 Requested amount (€)	Partner 2 Requested amount (€)	Partner 3 Requested amount (€)	Partner 4 Requested amount (€)	Total (€)
A03 - Equipment and software						
A04 - Other amortisable costs						
A05 - Permanent staff						
A06 - Temporary staff						
A07 - Sub-contractors and consultants						
A08 - Materials and supplies						
A09 - Overheads						
A10 - Other operating expenses						
Total
