FILL IN THE FORM AND DO NOT DELETE ANY SECTION.
PLEASE UPLOAD AS A PDF FILE (name the file as: CODE_project_Surname **- e.g. 2021-xxxx_project_Bianchi**).

**Project Title**

**Principal Investigator**

**Abstract**

*(maximum 5000 characters)*

**1. PROJECT DESCRIPTION AND APPROACH**
**1.1. Objective**
*Explicit the RESEARCH QUESTION[s].*

**1.2 Relation to the call**
*Explore how the project addresses the challenges and scope of the call.*

*(maximum 10000 characters)*

**1.3 Background literature**
*Explore the academic debate informing your proposal providing a clear picture of the literature, main ideas, models and assumptions involved.*

*(maximum 10000 characters)*

**1.4 Demographic data and project rationale**
*Describe the demographic framework/phenomenon that you intend to observe (please note you can use primary or secondary data) and how it relates to society changes.*

*(maximum 10000 characters)*

**1.5 Methodology**
*Explain the overall methodology and in turn the method[s] used to answer your research question[s].*

*(maximum 10000 characters)*

**1.6 Originality**
*Describe the originality of your research and how it represents an advancement beyond the state of art. Please indicate the gap[s] you intend to fill.*

*(maximum 10000 characters)*

**2. IMPACT**
*Describe the impact of your research results and how they contribute to support society and its changes. In addition, explore how the project contributes to identify/anticipate emerging needs (social, economic, cultural etc) in the local context.*

*(maximum 10000 characters)*

**3. IMPLEMENTATION**
**3.1 Workplan**
*Please provide a short description of the whole structure of the workplan*

*(maximum 10000 characters)*

### 3.2 Work packages (WPs) and deliverables

*Please provide a short description of each WP (per each WP use the table below)*

| WORK PACKAGE n | |
|---|---|
| *name and number of the WP* | |
| *participants (organizations)* | |
| *start and end month* | |
| *objective[s]* | |
| *description* | |
| *expected result[s]* | |
| *deliverable[s]* | |
| *relation to other wp[s]* | |

### 3.3 Research organization

*Describe the research organization[s] participating your project primarily focusing on research environment and research facilities.*

| **(maximum 10000 characters)** |
|---|
| |

### 3.4 Research Team

*Provide a short description of the CV of each member of the team (permanent and temporary), including the PIs. Indicate only the relevant information in relation to the call **(no more than 10 publications per each CV and please do not exceed 1 page per each CV).** Specify the involvement of team members in each WP in Person Month (PM).*

| |
|---|
| |

### 3.5 Young researcher

*Describe the actions you will implement to involve and train young researchers and explain how these might represent an enhancement for their careers.*

| |
|---|
| |

### 3.6 Gender Equality

*Describe how your proposal represents a positive contribution towards gender equality in research.*

| |
|---|
| |

### 4. BIBLIOGRAPHY

*List all the articles cited. For each publication indicate: authors, title, journal, volume, issue, pages and year of publication. If available online, provide the link.*

| **(maximum 50 publications)** |
|---|
| |

*Please note that together with the budget form these are the only documents that the reviewers will receive therefore include in the final pdf all documentation or information you wish to send them (e.g. information intended to clarify the budget or letters of support)*
