# Young Researchers

## Supporting postdoctoral researchers in the early stage of their careers

Informational meeting February/March 2024

# Agenda

---

- General info
- Guidelines
- Mandatory documents for submissions and re-submissions
- Deadlines and info on the peer review process
- Phase I and Phase II forms + preliminary info on the budget
- Q&A

# Young Researchers – THE CALL

NEW

two-steps Programme

Target: young researchers in all disciplines whose PhD degree has been achieved no more than 2 years before the deadline of the Call

Aims

- Supporting young researchers in the early stages of their career and in the development of their research identity:
  - strengthening skills on a specific research topic;
  - intervening on key elements to enhance one's independence in research, networking, internationalization, soft skills, etc...
- *identifying a mentor* to encourage and guide the young researcher's personal and professional development
- fostering dialogue with the civil society (developing communication and dissemination activities)
- stimulating the adoption of multi- and trans-disciplinary approaches and/or methodologies

# Young Researchers – GUIDELINES

The call is open to public or private non-profit organizations carrying out scientific research

The operational headquarter of the leading organization must be located within the area of intervention of Fondazione Cariplo: Lombardia, and the districts of Novara, Verbano, Cusio, Ossola

Maximum projects' duration: 36 months

The grant will cover 100% of the project's costs

The grant request should not exceed 200.000 euros

# Young Researchers – MANDATORY DOCUMENTS

## > PHASE I

- Letter of agreement PHASE I
- Partnership agreement
- PhD certificate
- Letter of support from the *mentor*
- Lol

## > PHASE II

- Letter of agreement with indication of the requested amount
- Detailed projects
- Budget, in excel

# Young Researchers – CRITERIA

⚖️ Scientific quality of the project 40%

⚖️ Project investigator 30%

⚖️ Social impacts and dissemination 15%

⚖️ Financial plan and duration 15%

Social impact and dissemination

- Quality of the proposal in the definition and evaluation of its impact on society;
- Adequacy of the communication plan.

# Thank you!
